

# UNIT 5

# Mosques

**5. Make complex sentences by joining the principle clause and the subordinate clause.**

- |                                 |                                |
|---------------------------------|--------------------------------|
| a. Will you visit the mosque    | he is an obedient Muslim       |
| b. Ahmed went there to          | and stood in rows to pray      |
| c. We heard the call to prayer  | pray and worship               |
| d. Talha is happy to pray as    | because the Prophet allowed    |
| e. The women visited the mosque | them                           |
|                                 | where Muslims do their prayers |

There is usually an Imam who runs the mosque and can answer your questions about Islam, if Allah wills.

**6. Think of one question about the mosque that you would like to ask him. Contact him and write down his answer.**
