There are many big and dazzling mosques today. They have lots of drawings inside them, bright rugs on the floors and sparkling lights. Many of them are very tall. These are some of the imitations that the Prophet SAW warned us about.

13. Draw a picture of what you think a mosque should look like based on what you have learnt in this unit.

14. Use the correct speech marks to show the words said by the Prophets (SAW)

- a. The Prophet (SAW) said Whoever builds for Allah a mosque, seeking by it Allah's grace, Allah will build for him a house in paradise.
- b. The Prophet (SAW) said Whoever builds for Allah a mosque, even if it be tiny, like a bird's nest, Allah will build for him a house in paradise.
